Dear friend of women's education,

TOGETHER we are moving into a New Year—a time of hope and promise. We are moving into 2016 together with our sisters around the world. Many of them dream of a college education but cannot afford it. **These women have tremendous talent, commitment, and leadership potential.** They have hopes and promise.

TOGETHER we can help make their dreams come true in the New Year. TOGETHER we can strengthen our church. TOGETHER we can **make the world better!**

We can help women such as **Tete Christine**, who lost her parents and siblings during the Sudan civil war. **Totally on her own** now, she works several jobs. Teachers call her “a future leader.”

In 2016 we can support the dreams of **Maral** from Jordan. She is a gentle person who enjoys being involved in **ministry with her pastor husband.** She is very bright, a people person, and colleagues say working with her is a joy. Her dream is to complete her degree in Public Health.

“**One of the best** in her class, faithful, friendly, hardworking and compassionate”—that describes **Roseline.** She urgently needs our help to fulfill her dream, to complete nursing school in India.

TOGETHER we can create a Happy New Year for our sisters. They need us. Their communities and their churches need their talents, ideas, and strength. TOGETHER let's make 2016 a **Happy New Year for our sisters.**

Wishing you a New Year filled with love and blessings,

Raquel Arrais
